ISSUE 2

Welcome Cascade Sports Car Club members and friends. Doesn't time fly when you're busy?! Seems like I just did the Presidents letter thing and here we are again a month later. It has been a very busy start to the year.

Your Board of Directors recently had the first meeting of the year via Zoom. Lasted a bit over two hours. We had a lot of topics to cover as is typical for the start of the business year. (Thank you BOD members and guests for putting up with my first shot at this type of meeting). General consensus is it went pretty OK.

We started the meeting with a short presentation from Darrell LeBlanc. Darrell is the current President of Friends of PIR. He is also a long time member of CSCC and a racer. Darrell updated us on some of the things FOPIR has been doing regarding the track and various events. One major bit of news, there is now a caution light at turn 6, drivers' right. This is similar to the one on turn 12. This should be a great improvement as the turn station at 6 has been somewhat controversial due to people saying they don't always see it. Cascade, Oregon Region SCCA, and FOPIR partner on several events throughout the summer. We have already completed the Rose Cup contract and there are other things in the works such as SVRA and INDY car. Darrell also shared that the City is working on (interviewing) people for the track manager position. He suggested they had some well qualified prospects and that hopefully they will select someone soon so Mark Wiggington can train then a bit before he leaves (again).

As I mentioned, we had a lot to cover in the meeting. Among them, we confirmed 6 new members, confirmed the 2021 honorary memberships, selected people for various committee positions, and have taken care of some banking changes. Several members also attended the recent (virtual) ICSCC E-Board meeting hosted by ICSCC President Rick Bostrom. Chris Heinrich gave a report of the proceedings. Thank you, Chris.

Thanks to a lot of hard work, people are now in place, budgets discussed, and dates are set for our races, driver training, and rallies. A big thank you to all of the Chiefs and committee people who got things rolling. Cascade will host 4 races, 3 Driver Training (HPDE) days, and 9 rallies plus a Rally school. Regarding rallies, they are all contactless. You can get out of the house, have some fun and enjoy "car stuff" in the safety of your own vehicle. You can find the various dates here in the Auspuff and/or on the web site.

The Cascade Charity passed a motion to award the Transitional School \$7000 from proceeds garnered during 2020 fund raising efforts. Thanks Signa Vernholm and everyone else involved in the charity who worked hard under very difficult circumstances. Due to the ongoing virus situation, we have decided to curtail most fund raising efforts for 2021. The "always in April" swap meet which brings in money to the charity is likely also in jeopardy. Hopefully things will improve soon and we can get back to business as usual.

It is unfortunate that we can't have our regular General Meetings. It would be nice to see, talk to people, and share our common interests (and pass out door prizes and M&M's). Let's all hope this virus thing passes soon. In the meantime, for more information on what is happening in your club, check out Linda Blackburns' excellent BOD meeting minutes later in the newsletter.

One last thing. If your membership expired at the end of 2020 and you have not yet renewed, please go to [MotorsportReg](https://www.motorsportreg.com) and take care of it. By renewing early you get the full yearly benefits. If you have questions about membership drop us a note.

Take care, all,

*Steve Powell, 2021 CSCC President*

## Cascade Sports Car Club Board of Directors January 26, 2021 (pg 1) Virtual Meeting via Zoom

Zoom Meeting start 7:00 pm

**Board Members:** Steven Powell, Brian Anderson, Brett McKown, Bob Peters, Kim McFarland, Emily Pixley, Skip Yocum, Linda Blackburn. Eric Blois absent. **Guests:** Chris Heinrich, Mike Smith, Victoria and Monte Saager, Gail Fetterman, Sign Vernholm, Julie Powell, Jamie Anderson, Cathy Peters, Darrell LeBlanc, Charles Freeborn.

This is our first zoom, virtual, meeting. The Board, by email vote, approved the purchase of the Zoom program for one year. It will be used by the President for meetings, Drivers training for the classroom and drivers' meetings, Victoria Saager for the rally meetings and possibly the Race Chair for drivers meetings for races.

**GUEST SPEAKER:** President Steve introduced Darrell LeBlanc as the new FoPIR president. Darrell is also a member of Cascade. As the new president for [FoPIR](#), Darrell thanked Cascade for their participation in The Rose Cup Races and the Indy Car race. We all need to work together to make these races happen. Darrell spoke about the improvement FoPIR made for a light at Turn 6 drivers right that can be operated from the worker station on drivers left.

Darrell reported on Rose Cup that we would have the following groups this year: Rose Cup, Spec Miata, SRF, Vintage, Small bore and a Formula Ford group. These, of course, are still in the rough format with more information to come. Also, they are looking as to a carting group. There will be an autocross in the north paddock at the same time as racing. Indy car is still in the working format. Darrell said he will present us with more information as it becomes available. Cascade and SCCA have already signed their contract with FoPIR for The Rose Cup Race.

Darrell also reported they are working with the City to name a manager for our track. There are many candidates and hopefully Mark Wigginton will be able to have a great training with them. Also, Darrell will be scheduling a Chief meeting sometime in March for The Rose Cup Race. It will be virtual.

Thank you, Darrell, for attending the meeting and updating us on what [FoPIR](#) is doing and how Cascade can help with the program going forward.

**Treasurer, Bob Peters:** We lost money this year because we lost one race to Covid and the two plus Enduro suffered from Covid interference. We will gain some money back on the ICSCC insurance we pay because of one race canceled. The bank is organized with the check signers as Steve Powell and Brian Anderson.

Motion made and passed to write off the track damages that have not been billed to drivers 150 responsible at this point. The amount was minimal and we will work at better trackability in the coming years.

Audit committee was appointed of Chris Heinrich, Gail Fetterman and Bob Peters. They will meet and report back by the March Board meeting.

**Charity, Signa Vernholm:** Motion made and passed to donate to The Transitional School \$7,000 from what we managed to generate in 2020. Dave and Julie Riehl will be asked if they would like to present this to the school. We were not able to provide any funds from the Swap Meet as it was canceled for 2020.

There was much Board discussion and we have decided to place the Charity for Kids on hiatus for the year 2021. We are unable to give rides and continue to find businesses interested in donations. They are suffering from the Covid restrictions and do not have the funds to work with this year. We will revisit the Charity portion of the club in the future.

**E-Board, Chris Heinrich:** Chris reported on the meeting held virtually January 23, 2021. We will receive a refund on the ICSCC insurance for the race we had to cancel. All but one rule was ratified by the E-Board members. They still left Hans devices or neck restraints to be highly recommended. The physical requirement has been dropped as a licensing requirement except for IRR; that is so it will be in compliance with reciprocity in other organizations. They did not accept the Vintage group for this year and the Triple Crown idea has a committee of Chris Heinrich, Hank Moore and Dave Dunning looking into the rules and running of this type of event. It probably will not happen until next year. There are a total of 17 ICSCC races for 2021. If further information is needed, please contact [Chris Heinrich](#).

**Contest Board, Brian Anderson:** No report. All information covered by Chris in the E-Board report.

**Enduro, Chris Heinrich:** Yes, we plan on an Enduro, 2, 4, and 8 Hours. Might be a drop of E4 and putting in a Street Tire class. Something that might open the race to other cars and entries. Chris will work on that with more reporting at later meetings.

**Race Chairman, Mike Smith:** Motion made and passed to name Mike Smith Cascade's Race Chairman for 2021. Mike will set his chiefs and a meeting soon. He will prepare a budget for either the February or March meetings depending on how soon he gets all his information together. Our dates have been set with ICSCC and we hope for the best on Covid regulations. Mike is also the Rose Cup Race Chairman with Chris Heinrich as his assistant.

## Cascade Sports Car Club Board of Directors January 26, 2021 (pg 2) Virtual Meeting via Zoom

Motion made and passed to accept the return of the Rotary Reunion. Austin Bradshaw had asked if August might be possible, rather than June, so the Canadian border has a better chance of being opened. The Board recommended Chris go back to Austin with August as the date so CSCC might plan another additional race to the June event.

**Drivers Training, Brett McKown:** Yes, we have our dates as the Friday before our three races. Budget will be presented at the next meeting. There was some discussion about a special HPDE, Time Trials, or others for the actual race event. Charles Freeborn and Brett had good points and Chris will investigate them before anything is decided. This discussion sort of fell under DT rather than the race chairman section.

**Membership, Steve and Julie Powell:** Steve presented the following members for active membership. It was moved and passed to accept the following members: Jeremy Kinzer, Arash Bartloo, James Bryant, Jonathan Hart, Sean Long and Christopher Weinberg.

Motion made and passed to accept the following as Honorary members for 2021: Garth Ankeny, Andy Collins, Andy Lee, Pete Macias, EC Mueller, Rosanne Plotts, Mark Wiggington and Doug Berger.

The Outstanding Membership nominating committee will be put on hold for a couple of months. It really needs to come into play around August. The Board will take it up at a later meeting.

Renewals are coming in slowly but steadily. There is a question on having to check a box about Speedwaiver. Steve will investigate this. At this time, it does not matter because there is no charge but after May 31, 2021 it might be an issue. If nothing else, it is a confusing matter.

Cascade has lost many members in the last year. Most recent are Charles Brown, an original 4 Cylinder member; Don Smethers, Cascade sent a plant to Sonja Smethers in honor of Don; Norm Daniels, the promoter when GI Joes was big; and Jack Banton, a long time member from 1967 era. We will donate to Union Gospel in Jack's name. Sonja, Jack's widow, also says she has Cascade memorabilia when we figure out how to handle it.

**Auspuff, Cathy Peters:** Motion made and passed to purchase for a year the current software for Publisher.

**Marketing, Linda Blackburn:** Email vote passed for marketing budget of \$750 for present issues. Date cards have been ordered and we will have them in hand around the first of February. The Board voted down the offer from Frank McKinnon to be on his calendar for the year 2021. It will be revisited next year.

**ROD, Gail Fetterman:** Dave Bell (778-789-0545) is the ROD for ISCCC but is looking for a replacement for the next year. There is some discussion if ROD should just be disbanded as there are not very many people that join. It is free and you must go online and send a [form](#) to Dave. Gail showed some stickers she personally had made that she plans on distributing at the first event.

**Webmaster, Charles Freeborn:** Charles has offered to stay on board as the webmaster but requests the membership needs to supply him information and pictures to make it look different. We need to renew GoDaddy as our host. Charles and Steve will work on this. Charles is working up Google Drive for us to share information from. It is a learning curve for some to use it, but it surely would make it so much easier for the webmaster if we all could get with it.

**GearGrinders, Victoria and Monty Saager:** Email motion made and passed to accept the presented budget for 2021. Rally made money for the club last year. Good job guys! Also, they ran the whole program virtually using Speedwaiver and GPS programs.

**Points Keeper, Jamie Anderson:** Nothing to report at this time.

### **New Business:**

Cascade has a small trailer that the Charity team used for storing items. It is of no use at this time so the Board decided we should sell it. Steven and Linda offered to clean it out and get it ready. Kai at Hannah has a buyer.

There was a small discussion as to the politics in Portland that might affect us at PIR. Steve would also like to see if we cannot send a thank you to all that participate and volunteer with us. We need to start thinking outside the box to get all sources supporting us better. We also had a small discussion on historian storage ideas. Alan Nies has expressed an interest in this position in Cascade. We will invite him to the next meeting. Steve will also do a survey on time and date of next meeting.

Meeting adjourned at 9:15 pm.

Respectfully submitted, Linda Blackburn, Secretary for Cascade Sports Car Club.

Spec Miata tire change to allow both Toyo and Hoosier passed unanimously

The 2021 schedule was ratified: 17 races on 8 weekends. All double races except for one triple race weekend in Spokane. May 1/2 at PIR, May 15/16 at Pacific, June 4-6 at Spokane, June 19/20 at PIR, July 17/18 at Pacific, August 14/15 at PIR, August 28/29 at The Ridge, Sept. 4/5 at Mission, Oct. 16 Enduro at PIR.

There are Driver Training and/or Test and Tune dates the day before each race weekend except for the Enduro. A full schedule is available on the ICSCC website

A committee has been set up to look into the ideas of a “runoffs” style race (this would not replace the points championship currently used) and a “ICSCC Triple Crown” which would include the ICSCC Points Championship, the ICSCC Showdown or runoffs race, and a third event on the ICSCC schedule. The reason is to try and encourage better attendance and possibly appeal to a new group of participants.

***INQUIRING MINDS ARE LOOKING FOR . . .  
An HISTORIAN for CASCADE SPORTS CAR CLUB.***

*We have had some years of not doing much with our Historian position. Lauren Stimson was the last person to hold this position. Lauren put together our last paper scrapbook of memories. Now maybe we need to investigate doing this with more media tech involved.*

*I am looking for suggestions to present to the Board of Directors and the general membership on how we set this committee into the future. We also have many members passing this year. Their families have Auspuffs and other memorabilia from Cascade years and they are asking if we might be interested in obtaining and preserving these items. In that same line, I would like to know if you, as the owners of Cascade memories, have articles you are interested in either giving to the club or putting them on display if a place was located to do this in.*

*We have some people interested in preserving artifacts for the Cascade history. We were one of the first racing clubs in the Portland area. Rose Cup is looking to have a display of the history of that race. We are proud to be the first club staging the Rose Cup Races. Also, I have over 700 slides from the early 80's that I would like to explore ways of storing these on video/cd. Any suggestions would be appreciated. Please let me, Linda Blackburn, or any other Board member, know if you are interested! I can be reached at: [dragondreams21@gmail.com](mailto:dragondreams21@gmail.com) Any help is truly appreciated.*

*Thank you for any consideration you give to this project.*

*Linda Blackburn Secretary for CSCC and also Marketing committee.*
