ISSUE 11

Welcome Cascade Members and Friends,

It's mid-October, fall is here, and the leaves are turning. We're pretty much done playing with cars this year now that the Cascade Enduro is complete and in the books. The sole exception is the Ghouls Gambol Rally happening on October 30th. Many of you probably got a notice from our Geargrinders crew. There is still time to sign up and join the festivities.

The aforementioned Fall Enduro took place October 16th for the 46th year. There was a choice of a 2 hour, 4 hour, and 8 hour race. Chris Heinrich, Enduro race Director, and his crew did a stellar job as always. The race went off without a hitch and all had a great time. We were also blessed with outstanding weather. What a gorgeous October day. I was part of a team running the 8 hour in a Miata (thank you Brian Anderson for allowing me to be part of your team). I have always had great admiration for drivers of "momentum cars". This was my first stint in a Miata. What a learning experience. It takes a high level of skill to make one of these cars go fast. The least bit of error on track completely screws up the lap time. There is no "making up time" anywhere. Many of you probably know I usually race in a Cobra (replica). It has probably three times the horsepower of the Miata. That allows for a bit of "forgiveness" if you foul up. Just put the power down and try to make up for the error. Anyway, as I said, I've always admired the ability and skill required to go fast in a low powered car. I now have even more admiration for those who do it well.

End of the year is nearing and that means its election time for Cascade Board or Directors and Membership of the Year. By the time you read this, ballots will likely be available on MotorsportReg. All eligible voters will receive an email with a link to the ballot. We ask that you take a few minutes and vote. It is important to the operation of the club that your voice be heard. Please vote!

We also have a year-end/awards banquet coming up soon. It will be on December 4th. More info will be forthcoming soon. Please attend and support your fellow racers, rally drivers/crew, volunteers, and workers. There will be social hour, dinner, door prizes, award presentations, good food, good times, and good people. We hope to see you there.

Many of you have no doubt heard that the Xfinity (NASCAR) group is coming to Portland June 4th, 2022. Planning has already started. This will be a "really big" deal for Portland and PIR. Mark your calendars and plan to be part of it. We will be looking to enlist a bunch (like a lot) of workers and volunteers. There will be training available in the many specialties. Stand by for more info coming right after the first of the year. PIR is going to be a busy place next year. Cascade will be involved in not only our race weekends but also, Rose Cup, SVRA/Trans-AM, INDY, and NASCAR. The track also hosts SCCA-OR, SOVREN, and bunch of other groups.

Membership renewals/dues are coming up first of the year. I will have new "events" posted on MotorsportReg in a month or so. Now the bad news.....the Board of Directors has voted to increase the dues by \$5.00 per year starting with 2022 and going forward. Unfortunately our "cost of doing business" continues to go up. Shipping/postage, printing, stationary, trophies, patches, name tags, etc. Seems to be a common theme these days everywhere we go.

Cascade is now holding our Board Meetings and General Membership meetings in person. They are held at Stark Street Pizza. Attendance at our General meetings has been very light lately for a variety of reasons (Covid being probably the biggest factor). We need to get people back and attending. I am personally inviting all to come. You do not need to be a Cascade member to attend. All are welcome as guests. Please come, visit, meet your fellow enthusiasts, learn more about how the club operates, and let us hear your thoughts. The next meeting is November 6th. The General Membership meetings start at 7:30 PM. The address is 9234 SE Stark St. Portland, OR. (just west of 205 on Stark). We also have free M&M's and fun door prizes.

I hope to see you there.
Thanks and take care,

Steve Powell, 2021 CSCC President 503-970-3190

Old Business: Thank you emails were sent to all that were involved with the August race. These are appreciated by the people. Thank you, Steve, for doing that.

New Business: There was discussion of the up coming year and how we need to think outside the box next year. We have lots to do since we are taking on some outside races that are put on by FoPIR. We have lots to discuss and can use any help from the members of the club. It seems to be a few that do the majority and we need to try to change that and involve everyone. If we divide and get others involved, the load won't be as heavy for the few.

Meeting adjourned 9:00 pm.

Respectfully Submitted: Linda Blackburn, Secretary CSCC

2021 CASCADE FESTIVAL OF ENDURANCE RE-CAP

The 46th Annual Cascade Festival of Endurance is in the books! It was a beautiful day at Portland International Raceway after fog delayed the start of practice for thirty minutes. The rest of the day was sunny with temps in the upper 60's. Between the 2 hour, 4 hour, and 8 hour races a total of 32 cars took to the LeMans start which has been a tradition since the race started back in the seventies! There was a fair amount of attrition in the race with only 13 of the 23 8 Hour cars still running at the finish, all out due to mechanical issues.

The Winners: 2 Hour – ME0 – Michael McAleenan, ME1 – Todd Clarke and Chris Hart, ME2 – Josh Moriarty and Colin Koehler, ME3 – Mike Tripp and Jason Brassfield, and in MSR – Andrew Evans and Dominic Dobson.

4 Hour – E0 – Scott Peterson, Matt Crandall, and Rick Wright, E1 – Charles Hurley and Andrew Newell, E2 – Josh Moriarty and Colin Koehler, E3 – Mike Tripp, Jason Brassfield, and Eric Jones, ES – David Fosberg and Keith Maher, ESR – Andrew Evans, Dominic Dobson, and John Hill, EU – Tom Burt and Matt Crandall.

8 Hour – E0 – James "Gator" Hudson, Dave Baker, and Greg Guise, E1 & 3rd O/A – Raphael Haefeli, Eric Hutchinson, Corey Peters, and Matt Lowell, E2 – Jeremy Plance, Ryan Haines, and Rich Reinhard, E3 – Mike Tripp, Jason Brassfield, Eric Jones, and Dave Dunning, EU & 2nd O/A – Tom Burt, Scott Peterson, Rick Wright, and Matt Crandall. And 1st Overall and 1st in ESR – Andrew Evans, Dominic Dobson, John Hill, and Jim Froula. Congratulations to all! A couple of notes: The overall leader's margin of victory was 16 laps. The closest finish was in E3 where the winner's margin of victory was a mere ten seconds over the 2nd place car in class!! Sort of close after 8 hours!

The event was a success! There are many people to thank including all the participants – drivers and volunteers. Without both of you the event doesn't work! Thank you Gail Fetterman for keeping the volunteers fed throughout the day. Thank you to our sponsors who continue to support the event year after year. And thank you to ALL the others who volunteer to be Pit Marshals, Turn Personnel, Safety Crew, Starters, Pace Car, Equipment set up and tear down, Timing and Scoring, Communications, Registration, Tech, Driver Services, and Mike Smith for his assistance throughout the day.

Now we look forward to the 47th running of the Cascade Festival of Endurance in

October 2022!

Mike Smith

“It was a busy season...”

I want to thank all the **Volunteers** that have worked any or all our events this past year 2021. CSCC had 3 Conference races and our ENDURO and Cascade supported ROSE CUP, SVRA/TA, and INDY CAR. It was a busy season and next year it appears that we may be asked to support one more event at PIR: NASCAR XFINITY is coming in June of 2022. I haven't heard much, but believe the NASCAR event may just be two days, Friday and Saturday?

So please put our events for 2022 on your calendar.
YOUR HELP WILL BE NEEDED.

Cascade President Steve Powell has invited everyone to please come to our General Meetings. We need your input on how we have been doing and what we can do to make it better in 2022. The Board is always open to suggestions and to your help. Right now, there is a core of volunteers, but we need more to step up and help. Some of us are getting old.

Again, **THANK YOU, THANK YOU** for 2021.
Gail Fetterman, Volunteer Coordinator/Worker Registration

And next year looks busier still!
We look forward to you
being with us....
BEST SEAT IN THE HOUSE!
