ISSUE 11

Dear Cascade Members and Friends,

Fall is here and it finally started raining. That means road racing in the Northwest is pretty much over for this year. The club is not finished for the year though. We've got elections going on, awards to present, and our year-end Social/Banquet coming up in December.

Our last race for the year, the 47th annual Enduro is now in the books. Chris Heinrich, Enduro Race Director and crew did a great job. We had a pretty good turn out and the weather was great. Warm and dry. Pretty weird to have 80 degree sunny days in mid-October. We'll take that over cool and damp anytime. Thank you all who volunteered and helped make it a success. We need to give a special "shout out" to a few people who went above and beyond in their efforts. Those who volunteered and worked the race received a very cool long sleeve tee shirt. Thank you Kim McFarland for helping design and procure the shirts. Well done.

Also, a special thank you goes out to the group that provided meals for the workers. Gail Fetterman, Linda Blackburn, Grace Skinner, Kim McFarland, Jamie Anderson, and Ashlee Anderson (hopefully I haven't missed anyone). Jamie and Ashlee Anderson set up an assembly line for putting the chicken dinners together that was quite amazing. Hopefully everyone had a good time and enjoyed the good food.

This is the time of year when voting takes place for next year's Board of Directors. We also vote for the Gary Bockman Membership of the Year award. Both of these ballots are up and running. We have an excellent slate of nominees. Voting closes on November 1st with results announced at our November General Meeting. If you are a current/active Cascade member you would have received an email with voting instructions. Please take a minute to vote as your voice is important. The new board will be installed at the year-end Social and the winner of the Bockman award will also be announced at that time.

Speaking of our year-end Social/Banquet, it is at the Tyee Yacht Club again this year. This is a wonderful venue. Date is December 17th. This is a week later than we traditionally have it due to some scheduling conflicts. We will be having a catered meal and drinks of your choice, door prizes, and will be presenting various awards. You will be getting notice of how to sign up to attend very soon. We hope everyone can make it.

The ICSCC Fall Meeting and Awards Banquet is "happening" after a two year hiatus. It will be held in Olympia at the Olympia Hotel at Capital Lake on Saturday, November 12th. This meeting is not only an awards banquet but also a business meeting for all clubs involved with the International Conference of Sports Car Clubs. Representatives from the various clubs have discussions regarding rules, schedules, finances, etc. Expect the Awards Banquet tickets and details to be available on MotorsportReg in the very near future.

I would like to invite all to our Saturday monthly meetings. They are held at Stark Street Pizza the first Saturday of each month. Meetings start at 7:30 PM. Please come, meet your fellow members and learn what is going on with the club.

I hope to see you there.

"My dear husband and champion at living life to the fullest, Jess Heitman, lost his 7-year race with cancer on September 26, 2022. He was an expert race car builder, engineer, fabricator, welder, machinist, racer, and instructor. He had been an aerobatic pilot, airplane tech., and a yachtsman. He loved to laugh and help others, there were few people he didn't like and love. He raced cars all over the US in almost 60 years of racing. Life well done my love." Addie

The 47th Annual Cascade Festival of Endurance is now in the books! We had unbelievable weather, a nice variety of cars, and several new drivers out this year.

So many THANK YOU's it's hard to know where to start. We have over 80 drivers to thank for coming out and putting on a show. And the over 60 volunteers who took their time to come out and support the drivers and the club to make this event happen. We had a few, lets say, less than 100 percent capacity individuals this weekend who still came out to do what they could. Thank you - Steve, Mike, and Adam as I know you weren't functioning at full tilt! Thank you, Kim for working so hard on a cool t-shirt! Thank you - Gail, Linda, Grace, Jamie, and Ashlee for working so hard taking care of the volunteers and the racers. Thank you everyone on the corners, in the Starter's stand, on the safety team, pace car, equipment set up, pit marshals, tech, race control, sound, driver services, registration, timing and scoring, and all of the others I've missed for enduring a long Saturday. And to Retro Racing for your ongoing support of the event and the volunteers. To Garth at AnT Tire/Trackside Motorsports for supporting the drivers with tire service, and also, to Andy at Armadillo Racing for supporting the drivers with their radio needs, driver gear, and all of the other items you supply.

Not sure we could have asked for a nicer October day as it felt more like August. The 12:00 noon LeMans start which kicked off the 2, 4, and 8 hour races saw the func_motorsport BMW get out of the pits first from back in the 12th pit stall. Eight hours later the 3 Thieves Racing Audi R8 LMS Ultra who completed 363 laps took the overall win and first in EU. Congratulations on a dominant performance! Second overall and first in E0 was the Finally Racing BMW 325, and rounding out the overall podium was the func_motorsport BMW E46 who also took first in E1. Look for the full results in this issue of the newsletter.

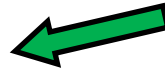

There was also a nice tribute to Jess Heitman at the event. Several cars that Jess has either built or rebuilt were on display including his V8 Miata. Following the second practice session, Ken Johnson took out Jess's Miata for one last tour around Portland International Raceway with the turn stations waving all of their flags honoring him. We lost Jess last month and he will be dearly missed.

After reflecting on 2022's event, we now look forward to 2023 and the 48th running of the event. If you missed 2022's race, plan on attending next year's event. For many, this is one of their favorite races of the year. We'd love to see more teams on the grid!

Ghouls Gambol Rally – The Phantom Visits Spirit of Halloweentown

Well, it's all over now. The rally ended. We partied at Spirit of Halloweentown. A good time was had by all. Prizes were awarded and awards were presented. Everyone got treats! Then we all went home.

About the rally

The Ghouls Gambol Rally was about 115 miles from the start in northwest Portland to the ending location in St. Helens. It took about three and three-quarter hours to complete the event.

The route started with a transit to Scappoose, then headed west to Mist. The route turned north to a break in downtown Clatskanie. Heading east and eventually south, the last checkpoint was in Deer Island. A short transit arrived in St. Helens at the Spirit of Halloweentown.

This was a tour-style rally, meaning it included no rally challenges (all treats, no tricks). Official mileage accompanied every route instruction. Route instructions were straight forward and easy to follow. Focus was on staying on time. Teams most able to arrive at checkpoints exactly on time were most successful.

Spirit of Halloweentown

Spirit of Halloweentown was a great host ending location. Not only did they welcome us, giving us prime parking on Halloweentown's main street, but they included us on their published calendar of activities and provided Halloweentown attraction tickets for rally prizes – all at no cost to the club or our ralliers. Thank you, Spirit of Halloweentown! Your generosity was appreciated and enjoyed by all Ghouls Gambol Rally participants.

Congratulations...

...to the top finishers. First overall and first in the Unlimited class are Bob Morseburg and Cheri Eddy with a score of 23 on 17 scored legs. Second overall and first Novice are Lee Nielsen and Marc Nielsen with a score of 39. Third overall and first SOP are Cody and Sabrina Garvin with a score of 48.

First place best decorated car went to Car #15 with Cara Williams and Colin Nagle.

February 18 Rally School

July 22 Saturday Rally

March 18 Saturday Rally

August 19 Saturday Rally

April 15 Saturday Rally

September 9 Mountains to Sea

May 13 Saturday Rally

October 28 Ghouls Gambol

June 10 Saturday Rally

November 18 Oregon Trailblazer

The Oregon Trailblazer Rally is an occasional Cascade tradition, last offered in 2006. Expect a tricky TSD rally that challenges your team's driving and navigational skills.

Have you seen the Oregon Trailblazer Rally trophy? Could it be in the basement, in the attic, on a shelf collecting dust? Look around. Let me know if you find it.

We want to recruit more rallymasters for next season. Contact us if you have ideas for a rally route. No experience necessary. We'll help you put together a rally.

Now you have great options...

Stay Cool in the Heat of the Summer

The Standard used by many racers

The compact Cool Shirt Club 12 System provides the advantage of system for those racing applications that have limited space and is perfect for road racing — a favorite among ICSCC and SOVREN drivers! The compact Cool Shirt Club 12 System keeps you cool and alert so you look and feel your BEST even when track temperatures exceed 100 F. The 12 quart system complete with ice chest, pump, hoses, mounting tray, and black cotton shirt is specially priced at just \$700, a savings of \$20 off MSRP.

Get cool and stay cool with the Techniche Hybrid Vest

Now you have a low-cost option to stay cool for over an hour with the Techkewl vest that utilizes frozen packets of a phase change material. Unlike any cool vest you've seen before, the packets freeze at 58 degrees which means you just throw them in your ice chest and in 20 minutes they are frozen solid.

Personally tested at the Spokane ChumpCar race by Armadillo Andy: "It was about 85 outside and 100 in the car. I wore the vest under my suit and after my 1-1/2 hour stint the vest still had some frozen material. The vest kept me cool so I could focus on not being hit by other ChumpCars."

Complete vest and phase change packets **only \$219.95**. In stock and ready to keep you cool.

Officials, Turn Marshals and Crews — You have not been forgotten. Try the Techniche Evaporative Cooling Towels. Just soak in water and you'll stay cool for hours. **Only \$10.95**

"When you deal with Armadillo Racing, not only are you getting top notch quality products and service, you're also supporting an organization that gives back a lot to the sport." Mark McClure
— Formula Mazda

COOL SHIRT

Techniche Hybrid Vest

FLUID HYDRATION SYSTEM

A programmable drink system installed in the car, that provides a squirt of water on a regular and programmable basis to keep you hydrated. Better than a Coolshirt system, studies have shown that constant hydration improves your decision making during a race. Indy 500 champion Ryan Hunter Ray says he won't ever race without one. Call for details.

Select the cooling option of your choice to prevent overheating and improve your performance this summer. Then call or come by our showroom at the track to place your order.
