DECEMBER 2022

ISSUE 12

Welcome Cascade Members and Friends,

December and the Holidays will be along soon. Seems winter is upon us with darker days and good old Northwest dampness. The calendar may not say it's winter yet but it sure appears that way when looking out my window. I've got a lot of work to get done but it's hard to get motivated this time of year. Seems I'm happier inside where it's dry and warm.

2022 has been a busy year for Cascade Sports Car Club. We held four race weekends and three HPDE/Driver Training days all with great results. We were also involved with a number of other major events at PIR. Among them, the Swap Meet, Rose Cup, NASCAR, INDY, and SVRA/Trans-Am. I want to thank all who volunteered and made these events "happen".

We had a number of people attend the recent "Fall Meeting" of ICSCC up in Olympia. The meetings and Banquet were held in person this year after a two year hiatus due to Covid. Rules were discussed and voted on, schedules put in place, the general business of "Conference" conducted, and two years' worth of awards were presented. Congratulations to CSCC award winners and thank you to those who went and represented us at the business meetings. Well done all.

As a reminder, our Award/Social is being held on December 17<sup>th</sup> at the Tye Yacht club. We will have dinner and drinks and good conversation plus the usual M&M's and door prizes. If you haven't already done so you can sign up on MSR. I hope everyone can make. We will be presenting our club awards for various categories and introducing and installing your new Board Members for 2023.

As a reminder, membership renewals are due starting January. The pages are in place on MSR both for renewals as well as new members. Take a look at your membership card to see if it expires at the end of 2022. If you have questions give us a call. Steve and Julie Powell, Membership Chair 503-632-3446.

Cascade is already making plans for next year. It's going to be another busy one. We hope to see you all at our General Meetings held the first Saturday of each month at Stark Street Pizza starting a 7:30 PM. Come hang out with your fellow club members and learn what is happening within the club.

Thanks and take care,

*Steve Powell, 2022 CSCC President 503-970-3190*

## 2022 BOARD MEETING

November 5, 2022 Meeting  
Start time 6pm

**Board Members:** Steve Powell, Bob Peters, Chris Lounsbury (on zoom), Robert Paxman, Brian Anderson, Kim McFarland, Emily Pixley and Linda Blackburn. Eric Blois absent.

**Guests:** Brett McKown, Joe Harlan, Julie Powell, Gail Fetterman, Jamie Anderson, Jeff and Susan Thomlison, Chris Heinrich, Cathy Peters, Victoria and Monte Saager (on zoom), and Howard Hamilton.

**GUEST SPEAKER:** Joe Harlan, President of TC, explained what Team Continental was looking for in support from Cascade. Joe explained they would like to plan three days at PIR to stage Time Trials and maybe a driving school. He went on to explain their plans and how they are trying to help racing in the Northwest. We all need to work together to make sure we will be in existence in the future. All clubs and organizations are suffering for lack of entries. The Cascade Board had already voted to allow them to have one date at PIR on October 6, 2022 in an email vote. **\*\* November 14, 2022 the Cascade Board did an email vote to allow TC to hold three dates at PIR. The only condition is they are not on or in the week of our scheduled events. The Board approved the three dates.**

**Treasurer: Bob Peters:** We have money. Motion to add \$25,000 to our Certificate. Approved unanimously.

**Activities: Kim McFarland:** The social is set for December 17 at the Tye Yacht Club. It will be up on MSR shortly.

**E-Board: Chris Heinrich:** The Fall meeting is happening next Saturday in Olympia. We will see what happens there for the next year. We will discuss the five point belts for convertibles.

**C-Board: Brian Anderson:** The voting has been done and we will see what happens at the E-Board meeting.

**Race Chair: Mike Smith:** Nothing knew at this time. Linda asked to have the computers for Timing checked by Eagle Tech. They just need to be checked for viruses before installing the new software for timing. Board approved \$300 at this time. Unanimously approved.

**Drivers Training: Brett McKown:** Nothing at this time. He will be setting up MSR in the near future. The committee continues to do planning for 2023.

**Membership: Julie and Steve Powell:** No new members to report. We just ordered name tags and we need to look at options to ordering these in the future. Jamie, Linda and the Powell's will work on this.

**Auspuff: Cathy Peters:** Nothing new to report.

**Marketing: Linda Blackburn:** We have an order in for stickers for next year and also the fold over cards we hand out. Linda motioned to pay PIR \$3000 for having our banner (large) on the fencing on the east end of the track. We need the statement that this is our home track. FoPIR and Lucky Dog have their banners up there, so we need to be also. Motion passed with 5 yes, 1 no, 1 abstain. Thank you from Linda.

Continued...

It was suggested from a member we look at getting a 70<sup>th</sup> anniversary banner to use this year. We also are working up a 70<sup>th</sup> anniversary sticker. There are other ideas floating. Cathy suggested something we all have missed for 20 plus years we have been at the Stark Street Pizza for meetings. We should put our card or brochure on each of the tables on the other side of the restaurant. Perhaps a CSCC poster in the window. Good idea to start with next year. Linda will check it with the manager.

We are participating in the Recruitment Fair at PIR on March 11<sup>th</sup>. This fair is an effort on our part to get more new and hopefully younger people interested in all of our activities. It was somewhat of a success for the first-time last year. We were not that well organized so need to up our game this year. Darrell LeBlanc, FoPIR President, is trying to make this an annual event.

We are also participating in the Roadster Show after 2 years on hold. We will need volunteers to set up and hopefully help with everything on the days. Remember it will get you into the show free, except for the \$13 parking controlled by the City of Portland, and we do not work that hard or long if we have people to shift in and out. Anyone interested, it is March 17-19 with setup on the 16<sup>th</sup>. I will be looking for cars to have there, videos to show and any other ideas people can come up with. Emily offers a TV for the videos.

**Volunteer Coordinator: Gail Fetterman:** If all the workers accept the free dinner for the social, it will be 52 free dinners.

**Website: Charles Freeborn:** Jamie needs the admin access to the site. Steve will get that from Charles.

**GearGrinders: Victoria and Monte Saager:** The dates for the coming year are set. We are also planning on bringing back the Trailblazer Rally. We are looking to find the last recipient and some history.

Meeting adjourned 7:25 p.m., Respectfully submitted, Linda Blackburn, Secretary for Cascade Sports Car Club.

## CASCADE SPORTS CAR CLUB 2022 GENERAL MEETING November 5, 2022 Start time 7:30

**Board members:** Steve Powell, Bob Peters, Chris Lounsbury (on zoom), Robert Paxman, Brian Anderson, Kim McFarland, Emily Pixley and Linda Blackburn. Eric Blois absent.

Steve explained some of what Joe Harlan had presented to the Board earlier. There was some discussion.

I am not going to repeat what I wrote in the above minutes. **Please read those minutes closely.** I also tried to insert votes we did after the Board meeting so they might make better sense. Please let me know if you don't like this. As long as both meetings happen on the same evening it feels better and doesn't waste space in the Auspuff. It is the same information repeated from the Board meeting and it seems the same people. There is always some discussion going on but nothing that would merit writing down at this time. If you have interest in what we are doing, please attend the meetings. We do have fun in the time of the general meeting provided by Julie and Steve Powell.

The exchange of prizes won and lost is always interesting. The Dairy Queen and Starbucks card really can create some drama for all the rest of us to laugh at. All of you not present should come and see what you continued.....

could get like wine, shop rags, blue paper towels fastened with a lose bungee because Chris could figure how to make it tight, Dutch Bros has been added, window wash, items to clean your car, whatever Steve and Julie can find. This can be the most fun part.

**New Business:** Steve announced the Board of Directors for 2023. They are returning members Brain Anderson, Bob Peters, Eric Blois and Chris Lounsbury. New people to welcome are Steve Powell (returning), Cody Garvin, Robert Paxman and Linda Blackburn, returning. Howard Hamilton is our alternate and that is a very important position. Robert can attest to that as he was our alternate last year. It is a great way to learn how the club operates and exactly what the Board is responsible for.

Please all of you come to the Social Kim is planning for December 17. We had a great time last year as this is a great place, Tyee Yacht Club, to come and mix with the people you sometimes miss seeing at rallies or the races. Meeting adjourned at 8:15 P.M.

Respectfully Submitted but short this time, Linda Blackburn, Secretary for Cascade Sports Car Club

## Volunteer News

I again want to thank everyone for volunteering for our Cascade Sports Car Club events. Also, for volunteering for those events that we help to support.

I hope that everyone that is entitled to a free dinner at the CSCC Social being held December 17<sup>th</sup> at the Tyee Yacht Club, has signed up on MSR.

A few CSCC members attended the Conference Fall Meeting and the Banquet.

Here are a few highlights. Trophies were given out to MIKE EVANS who was the ICSCC Worker of the Year for 2021 and LINDA BLACKBURN who was the ICSCC worker of the Year for 2022.

The ICSCC Worker's Choice Driver was Rick Delamare for 2021 and Scott Morton for 2022.

The Driver of the year for 2022 is Bill Ecker.

I look forward to seeing some of you at the Social.

If you are unable to attend, I wish you a MERRY HOLIDAY SEASON and a HAPPY NEW YEAR.

Gail Fetterman

Volunteer Coordinator

## 2022 Cascade Geargrinders Rally Season

Participation is key to the success of everything Cascade Sports Car Club does. The Geargrinders Road Rally Program depends on volunteers and rally teams.

### Volunteers

Rallymasters are the volunteers who develop the route and construct the event the rally teams will run. Development starts weeks if not months before rally day. Hours and miles are spent scouting roads and linking together a route that meets expectations – fun to drive roads, scenery and interest along the route, a suitable mid-rally break, and an ending location.

Route instructions, measurements, calculations, GPS checkpoints, and rallymaster notes to contestants all must be completed for the checkout one week prior to the rally. Volunteer rally teams run the checkout in live rally time to make sure the route instructions are accurate, references are correct, speeds are appropriate, GPS checkpoints are working, and more.

The 2022 season started with the Rally School Rally on Feb. 19. Rallymasters were **Monte and Victoria Saager**. Two checkout teams pre-checked the rally – the team of **Cody and Sabrina Garvin** and the team of **Edmund Frank and Jo Su**. The Rally School Rally ended in Forest Grove.

*Ben Bradley, Rallymaster*

The first two events in the six-event Saturday Road Rally Series were also

*JoAnn and David Gattman, Rallymasters*

rallymastered by Monte and Victoria. The March 19 Saturday Rally ended in Woodburn. The April 16 rally ended in Scappoose.

May 14 was the 57th anniversary of the Mountains to the Sea Rally, ending in Seaside. Rallymasters were Monte and Victoria.

The June 25 Saturday Rally, which ended in

Beavercreek, was rallymastered by **Ben Bradley**. Ben noted that while he had written many rallies for Cascade over his long rally career, this was his first in many years. He expressed appreciation for the club's revitalized road rally program.

**David and JoAnn Gattman** were rallymasters for the July 23 Saturday Rally. David and JoAnn are also long-time Cascade rally participants and have written many rallies. In their event write-up, they encourage ralliers to step up and be a rallymaster because writing a road rally is a great way to learn the sport.

*Kerrie and Marcus Gattman, Rallymasters*

The August 20 Saturday Rally was rallymastered by **Marcus and Kerrie Gattman**. Their event ended in Woodland. They thanked the Cascade Board for continued support of the rally program, and they offer to help any new rallymaster next season. **Bill and Kelly Ferber** ran the August checkout.

*Kasey Klaus and Torm Kelsey Green,  
Rallymasters*

**Kasey Klaus and Torm Kelsey Green** were the rallymasters for the Saturday Rally on Sept. 17, ending in Estacada. This event concluded the 2022 Saturday Rally Series. The top three teams in each class received Series awards at the Ghouls Gambol Rally.

Cascade’s rally season wrapped up with the 56th anniversary Ghouls Gambol Rally on Oct. 29 rallymastered by Monte and Victoria. This rally was all treats and no tricks, ending at Spirit of Halloweentown in St. Helens.

### Rally teams

A season average of about 20 cars per rally would support a sustainable road rally program. We came close to reaching that target in 2022. The 2022 Geargrinders Road Rally Program put on nine road rallies and averaged 18 cars per rally.

Fourteen (14) teams pre-purchased rally entries with a seven-event Series Pass (four teams) or a nine-event Season Ticket (ten teams). These pre-paid entries ensured a steady number of entries at each rally. What we saw in 2022 was a downturn in the number of new first-timer rally teams.

*Have you seen the Oregon Trailblazer trophy? If you find it, please contact [rally@cascadesportscarclub.org](mailto:rally@cascadesportscarclub.org)*

## Looking forward

The 2023 rally schedule includes ten events, starting with Rally School in February. The very competitive Saturday Road Rally Series has six rallies, March through August. The 58th Mountains to the Sea (rumored to end in Newport) is in September. The traditional Halloween rally is at the end of October, of course. And new this year is the Oregon Trailblazer Rally in November, a tricky trappy rally challenge.

## Help spread the word!

Attracting and retaining new rally teams is essential to the success of the rally program. We promote Cascade’s road rally events through email, social media, Auspuff, and the Cascade Geargrinders website.

Please help by sharing our event announcements and promotions. Let us know if you identify audience opportunities.

You enjoy driving your car. That’s why you belong to a car club. Road rally is a fun way to enjoy driving your car. Play the game that takes you places. Once a month from February through November. Affordable fun for a carful.

*Enjoy a fun drive in the country. Come drive with us!*

# A MYSTERY CAR TO IDENTIFY.....

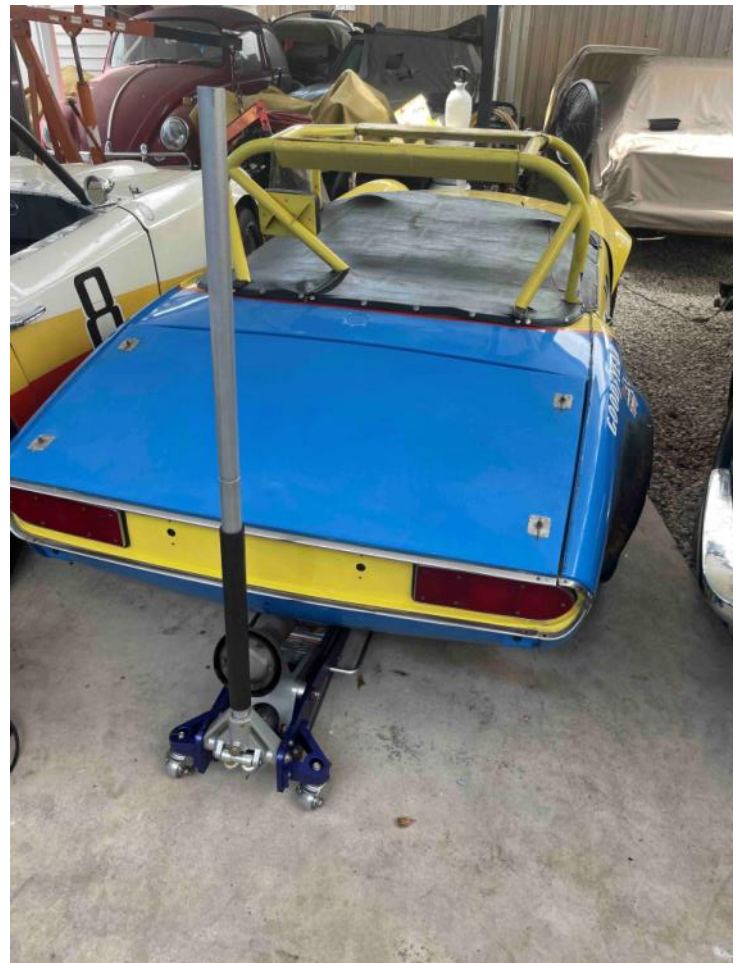

**PLEASE HELP IF YOU HAVE ANY INFORMATION**

Hello. My name is Evaristo Santana and I recently purchased a triumph spitfire that I'm trying to get some history on. It's a yellow and blue car and has stickers from your organization. If you have any information or perhaps contact with a prior owner I would really appreciate you passing on my email and phone number.

I have attached a photo of the car.

Thanks.

Now you have great options...

## Stay Cool in the Heat of the Summer

### The Standard used by many racers

The compact Cool Shirt Club 12 System provides the advantage of system for those racing applications that have limited space and is perfect for road racing — a favorite among ICSCC and SOVREN drivers! The compact Cool Shirt Club 12 System keeps you cool and alert so you look and feel your BEST even when track temperatures exceed 100 F. The 12 quart system complete with ice chest, pump, hoses, mounting tray, and black cotton shirt is specially priced at just \$700, a savings of \$20 off MSRP.

### Get cool and stay cool with the Techniche Hybrid Vest

Now you have a low-cost option to stay cool for over an hour with the Techkewl vest that utilizes frozen packets of a phase change material. Unlike any cool vest you've seen before, the packets freeze at 58 degrees which means you just throw them in your ice chest and in 20 minutes they are frozen solid.

Personally tested at the Spokane ChumpCar race by Armadillo Andy: "It was about 85 outside and 100 in the car. I wore the vest under my suit and after my 1-1/2 hour stint the vest still had some frozen material. The vest kept me cool so I could focus on not being hit by other ChumpCars."

Complete vest and phase change packets **only \$219.95**. In stock and ready to keep you cool.

Officials, Turn Marshals and Crews — You have not been forgotten. Try the Techniche Evaporative Cooling Towels. Just soak in water and you'll stay cool for hours. **Only \$10.95**

"When you deal with Armadillo Racing, not only are you getting top notch quality products and service, you're also supporting an organization that gives back a lot to the sport." Mark McClure — Formula Mazda

### FLUID HYDRATION SYSTEM

A programmable drink system installed in the car, that provides a squirt of water on a regular and programmable basis to keep you hydrated. Better than a Coolshirt system, studies have shown that constant hydration improves your decision making during a race. Indy 500 champion Ryan Hunter Ray says he won't ever race without one. Call for details.

Select the cooling option of your choice to prevent overheating and improve your performance this summer. Then call or come by our showroom at the track to place your order.
