Race season is just around the corner and your help is needed! If you have ever wanted to get involved in motorsports, volunteering at amateur and pro car racing events at PIR is just the ticket!

Responsibilities range from Flagging and Emergency to Timing and Sound; there are many ways to become involved. We will teach you everything you need to know!

**A note from your Editor to avoid confusion and increase potential success in our Early Season events.**

The Flyer on Page 1 of this Auspuff is for a PIR Event, AT PIR Saturday, March 11th to encourage new participants to join FoPIR, our Clubs and our Volunteer Ranks.

FoPIR, Cascade Sports Car Club, SCCA, and possibly others, will have representatives there. PLEASE PASS THIS FLYER ALONG via e-mail, a printed copy via snail mail, take a photo of it and send it via text.....post it on Facebook, Instagram, Twitter, "cooking with grandma".....EVERYWHERE!

The Flyer on this page, page 2, entitled "Volunteers Needed" is for YOU, our club members and friends. We are the ones that will be present at the PIR Volunteer Fair, answering questions, offering encouragement, and sharing our Track Family and stories with people who come (That is why we need to SPREAD THE WORD!) We will be at the Track and have a couple booths with information. We really need our CSCC family to mingle with newcomers. And yes, the rumor is true, there will be coffee and donuts. **Click on the link on the flyer to sign up, please.**

The second Volunteer opportunity is for the Portland Roadster Show, March 17-19, and, curiously enough, is ALSO FOR YOU! The venue is warm, the people are plentiful, and you will be representing Cascade Sports Car Club. This is our 70th Anniversary...lets make it a great year to increase our ranks of drivers, volunteers, and spectators. You will receive free admission to the Roadster Show for each day you work. Put in your shift and then enjoy the show. You will have to pay parking for yourself. Please click the link on the flyer below to register.

THANK YOU VERY MUCH. Remember, PASS the information along and SIGN UP to help.

# Volunteers Needed!

Cascade Sports Car Club is seeking volunteers to help out at our booth for the following upcoming dates. Please help us spread the word about our club and our events! The more the merrier!

FEBRUARY 2023

[www.cascadesportscarclub.org](http://www.cascadesportscarclub.org)

ISSUE 2

Greetings Cascade Members & Friends!

By the time you read this, it will be February which means we are that much closer to getting back to racing and rallying with our favorite club at our favorite city park or scenic country roads.

February means its rally school time – which is scheduled for February 18<sup>th</sup>. If you've never tried Cascade's Time-Speed-Distance road rally, I strongly encourage you to [sign up by the 15<sup>th</sup>](#) and give it a try. Even though we aren't new to rally, Jamie and I will be there to knock the rust off and tune up our driving and navigation skills before the season starts. We look forward to seeing many returning faces as well as some new ones on the 18<sup>th</sup>!

On to racing news, ICSCC recently held their spring meeting. Of note, the race schedule is now officially confirmed for 2023 and available on [ICSCC's website](#). Links to MSR will be added to [our website](#) as we get closer to each event, but be sure to mark your calendars now and plan on joining us, whether as a racer, a worker, or a spectator. The club is also working on bringing rides back to our August race – The Dash – if you have ideas or would like to help make this happen, please contact Linda Blackburn.

Also confirmed at the ICSCC spring meeting, Mike Evans has accepted the position of Race Officials Division officer. I'm sure Mike has plenty of ideas to improve or even reinvent ROD, and I'm looking forward to working with him to further enhance our worker/volunteer programs. Mike will be in attendance at PIR's upcoming Volunteer Fair on March 11<sup>th</sup>. On a related note, Cascade is looking for a new ROD representative, who will work closely with Mike to promote ROD and encourage membership in the program. If you are interested or have questions, please let me know.

Cascade will be hosting booths at both the PIR Volunteer Fair on March 11<sup>th</sup> and the Portland Roadster Show March 17-19. Please consider signing up to help spread the word about Cascade and our events with prospective racers, rallyers, and workers. Read on for more information and links to sign up.

At the January board meeting, we confirmed several positions for the 2023 season and approved budgets for Geargrinders and Marketing. Details can be found later on in the meeting minutes.

Lots going on already, and much more to come as the season gets underway. It's definitely shaping up to be another great year!

Yours in racing (and rallying!)

Brian Anderson, 2023 CSCC President

CASCADE SPORTS CAR CLUB  
Board of Director Meeting  
January 7, 2023

Meeting called to order at 6:07pm

**Board Members present:** Brian Anderson, Steve Powell, Chris Lounsbury, Eric Blois, Robert Paxman, Cody Garvin (via Zoom), Howard Hamilton. Linda Blackburn and Bob Peters absent.

**Guests:** Gail Fetterman, Jamie Anderson, Wendy Lounsbury, Dave Dunning, Chris Heinrich, Kyle Keenan, Julie Powell, Bret Bienerth, Kim Kuzma-McFarland

**Minutes approved as appeared in Auspuff.**

**Geargrinders: Monte & Victoria Saager:** The board unanimously approved Geargrinders' 2023 budget proposal. They will hold a rally school February 18<sup>th</sup>, as well as their usual Saturday Series rallies, Mountains to Sea, Ghouls Gambol, and new this year the Trailblazer rally.

**Treasurer: Bob Peters:** Bob provided a preliminary P&L prior to the meeting; the club will be paying about \$4000 in taxes. Need to appoint an audit committee to review the books by the March meeting.

**Auspuff: Cathy Peters:** Great job as always! Get your content in to her by the 15<sup>th</sup> of each month.

**Marketing: Linda Blackburn:** The board unanimously approved Marketing's 2023 budget proposal of \$3000.00. There was much discussion about the banner we have on the fence line at PIR. PIR now charges us to have the banner on the fence, and last year's board already approved payment for 2023. Currently, the banner is taken down for the pro events; Mike Smith will contact the track to find out if that is still the case, or if it can be left up moving forward. Those in attendance provided feedback on a proposed 70<sup>th</sup> anniversary logo, which will be used for various items such as stickers, patches, etc.

**Contest Board: Brian Anderson:** no updates

**E-Board: Chris Heinrich:** Dave Dunning will continue as E-Board alternate in 2023. Thank you! HPDE rule change proposal (discussed later in meeting) will be presented at upcoming ICSCC spring meeting on January 14<sup>th</sup>. Also on that agenda is Team Continental's member club status.

**Enduro: Chris Heinrich:** no updates

**Race Chair: Mike Smith:** Mike has agreed to be the Race Chair again for 2023, but is looking for someone to take over maybe for next year. He is looking for an assistant for the 2023 season. Kurt Pohs has taken over as flag chief for Cathy Frasier, Kim Kuzma-McFarland is now the Starter Chief for Cascade, all other positions are the same as last year. Robert Paxman offered to be Chief of a combined tech/scales which seemed agreeable to everyone present. Will talk to Robert Klaus as well. One open position that needs to be filled for 2023 is Hot Pits Chief.

Mike plans to have another Tech Day; just needs to pick a date. Will find out if an ICSCC representative can be there so we can advertise roll cage stamping. Dave Dunning offered to be there to review cages even if we don't have the ability to stamp cages. We also definitely want to do a worker training event this year.

**Driver Training: Brett McKown:** We are going to have an instructor training day in late March – early April. Looking for a venue close to the track; something indoors with screen presentation capabilities. Hoping to nail down a date at the next committee meeting.

*Continued on next page...*

CASCADE SPORTS CAR CLUB  
Board of Director Meeting  
January 7, 2023

Updates for the 2023 HPDE schedule. Removing open wheel run group due to low participation. Adding a 2<sup>nd</sup> Test-n-Tune group while also trying to get more instructor involvement. We had between 9-13 instructors last year, depending on the event weekend. Chris Lounsbury will follow up with Brett regarding the Driver Training side of the program and how to market it better. Also discussed instructor incentives. The board held off on HPDE budget vote due to outstanding questions about the schedule and instructor incentives.

The HPDE committee put together a proposal to make changes to our convertible restrictions for HPDE events. Chris Heinrich has added this as an agenda item for the upcoming ICSCC spring meeting.

**Membership: Steve & Julie Powell:** The board agreed to remove EC Mueller as an Honorary member since he is no longer the track manager at PIR and no longer lives locally. They unanimously approved keeping the following as Honorary members: Garth Ankeny, Andy Collins, Nikki Gamell, Ron Huegeli, Pete Macias, Rosanne Plotts, and Mark Wigginton. The board unanimously approved moving Doug Berger from Honorary to Lifetime member. Membership dues will not change for 2023.

**ROD: OPEN:** Mike Evans has been approached and is considering the ROD officer position for ICSCC in 2023. Hopefully more is **KNOWN** after the spring meeting. There were only 5 members last year and it's a free membership.

**Volunteer Coordinator: Gail Fetterman:** Will let the board know if she feels we need to make any changes to our worker compensation after we see what happens at IRDC's next meeting.

**Charity: OPEN:** No arguments to keeping the Transitional School as the benefactor of the Swap Meet donations again this year. No updates on rides at our August race, but Chris Lounsbury will reach out to Avants to see if we can secure their participation for car rides.

**Activities/Social Coordinator: Kim Kuzma-McFarland:** Addie said we can have the year-end social at the yacht club again this year. They will check the yacht club's calendar for available dates and get back to us.

**Website / Pointskeeper: Jamie Anderson:** BoD contact information is up-to-date and will update any chief/committee chair changes once known. For 2023 points, since the Board approved free memberships for qualifying workers, we hopefully will have many more members so it will be extremely important for chiefs to know to be keeping track of worker hours for themselves and their teams. Will have something put together for the chiefs meeting.

**New business:** Proposal to combine tech and scales into one Specialty under a single chief. Sounds like this will probably happen, and Robert Paxman will be the Chief. Proposal to have a quarterly "pizza feed" at our General Meetings to encourage attendance and show our appreciation for our members. Everyone seemed on board for this. Proposal to change BoD meetings to Zoom and to schedule them at least one week prior to the General Meeting. A survey will be sent out to Board Members to select the best day/time for the meetings moving forward.

**Old business:** Steve Powell will coordinate the delivery of Safety 1 to Chris Heinrich's body shop for the paint work that was approved by last year's Board. Trucks will also need to be serviced again this year.

Meeting adjourned at 7:25pm.

Respectfully submitted by Jamie Anderson (filling in for Linda Blackburn)

CASCADE SPORTS CAR CLUB  
General Meeting  
January 7, 2023

Start time 7:30pm

**Board members:** Brian Anderson, Steve Powell, Chris Lounsbury, Eric Blois, Robert Paxman, Cody Garvin (via Zoom), Howard Hamilton.

Much of what was discussed during the Board Meeting was shared at the General Meeting. **Please review the BoD minutes for that information.**

During the General Meeting, Steve Powell as Membership chair requested volunteers for the Outstanding membership committee. This committee is comprised of the President, Membership Chair, and one additional club member whose responsibility is to nominate Cascade members for this award based on their contributions to Cascade in 2023. This year's Outstanding membership committee will be: Brian Anderson, Steve Powell, and Gail Fetterman.

Brian would really like to get Geargrinders more involved in the club's happenings, including the year-end social. He would also like to figure out how we can increase attendance at our monthly General meetings.

We celebrated Mike Smith's birthday with everyone singing him the birthday song – thank you Kim Kuzma-McFarland for bringing the cake!

As is customary at our General meetings, M&Ms were eaten, door prizes were raffled off and some stealing of prizes occurred. Gail respectfully declined a bag of Pistachios because she couldn't break the nuts open. Luckily, the Pistachios were then won by Jamie, whom Mike reminded everyone is good at "busting nuts". Everyone had a good laugh. Julie asked that if anyone has ideas for door prizes to please let them know.

Meeting adjourned at 8:24pm.

Respectfully submitted by Jamie Anderson (filling in for Linda Blackburn)

# A MYSTERY CAR TO IDENTIFY.....

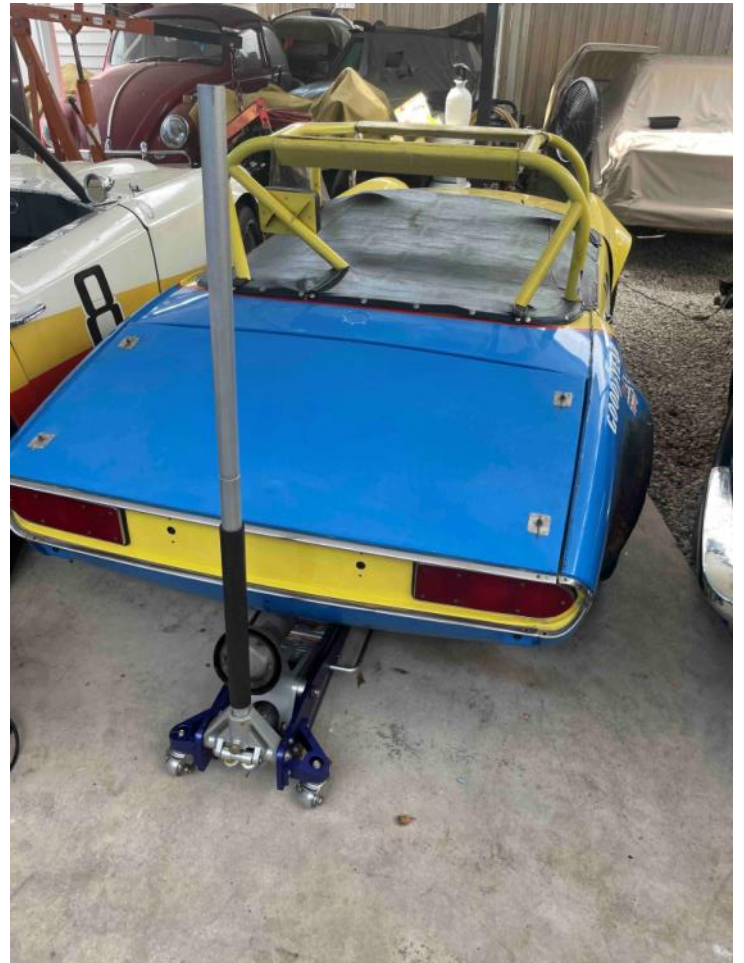

**PLEASE HELP IF YOU HAVE ANY INFORMATION**

Hello. My name is Evaristo Santana and I recently purchased a triumph spitfire that I'm trying to get some history on. It's a yellow and blue car and has stickers from your organization. If you have any information or perhaps contact with a prior owner I would really appreciate you passing on my email and phone number.

I have attached a photo of the car.

Thanks.

Presented in a Virtual Seminar format.....

## "Secrets Everyone Must Know To Improve Their Racing"

In the past 27 years over 1,000 racers, including several national and regional champions, have gained great insight to car preparation, racing and mental skills by attending this High-Performance Racing Seminar. Read "In their own words" the impact this event has had as shared by a few past attendees.

Just look at the line-up of outstanding racing gurus who are going to share the secrets they've learned over their racing career. **James Penrose**, a master of driver and car safety, who has worked with 7-time world driving champion Michael Schumacher, Sebastian Vettel and Keke Rosberg. He will provide you with specific instructions to make you safer and faster in your car.

**James Walker Jr.**, author of The High-Performance Brake Handbook, will give you in-depth information on brakes and braking systems to dramatically improve your stopping power for faster lap times.

Hydration in a race car is more important than you might imagine, and **Austen Figueroa** from Fluid Logic is going to give you the facts and information you must have to improve your mental skills throughout your whole race. You'll learn why drivers such as Ryan Hunter-Reay won't race without a hydration system.

For over 50 years, **Terry Earwood** has been teaching people how to race, and teaching professionals how to race better. As the chief driving instructor and creator of the curriculum for the Skip Barber Racing School and the driver development manager for the Trans-Am series, Terry will share his lifetime of experience to teach you how to race safer, better, and faster than ever before.

These outstanding speakers will be joined by a special guest (soon to be announced) who is a top professional that will share his/her racing career.

### ★ In Their Own Words...

- ★ "Good balance of racing and personal performance." **Brad Shinn** – *A-H Sprite* • "OMG! This has been the BEST seminar I've attended!
- ★ Every speaker was entertaining, interesting, and informative. I learned so much that will help me prepare for, enjoy, and succeed the next time I'm on track." **James Wege** • "My driving had become stale. This seminar gave me tools I need to improve." **Erik Dolson** – *Vintage Corvette* • "High quality information by bona fide experts in the fields. Well worth the cost of admission. I'll be there next year for sure." **Cary Richard** – *Club Ford* • "If you missed today's seminar, you might as well be late to the grid. Everyone who took the time to attend now knows more than you about many aspects of racing. Too bad for you." **John Rankin** – *Beach FSR* • "The virtual seminar touched upon many topics important to the race car driver. The speakers were extremely knowledgeable in the subject area as well many other aspects of racing. The speakers not only presented important information in a clear, understandable way, they answered questions and posted questions to one another. The capability of watching the recording of the seminar is a real plus, reinforcing the speakers' messaging."
- ★ **Bart Scott** – *Triumph GT6*

**Seminar includes** access to all speakers so you can ask your specific racing question. Following the event, attendees will have exclusive access to the recording so you can watch over and over to reinforce all the secrets you've heard. The seminar will be conducted over two days via Zoom (9 am to 1 pm) Saturday and Sunday February 11/12, 2023. The cost is just \$125 and will help lower your lap times and race better.
